MEMORANDUM FOR CHAIRMAN, AD HOC REQUIREMENTS COMMITTEE

SUBJECT: AQUATONE (S) Target Listing

1. The Alaskan Air Command has indicated an urgent requirement of the installations listed below, based upon U. S.   reports of construction and shipping activity in the Arctic during the 1957 season. The three (3) listed installations are in the current AQUATONE (S) listing, however, the priority is lower than desirable.

2. Request the installations listed be elevated to the priority as suggested, consistent with overall requirements:
